

Dear Parents,

This is the last newsletter of the Spring term before term finishes on Friday 12th April. We wish you all a lovely Easter break and hope that you will be able to join us for our Easter services.

This term we have raised an amazing amount of money for different charities and we are so grateful for your continued support. The recent Foundation Phase Sponsored Walk for Cariat Pet Therapy raised a phenomenal total of over £700. This will enable us to continue to have the lovely Harper in school and will also mean that her companion Percy is able to come along as well. Thank you for valuing this charity as much as we do.

Please can I take this opportunity to again remind you all about parking issues. The back carpark is for LRC minibuses and parents with agreed passes to park there. These passes are currently under review as we consider individual need and any future considerations we may have to make. Please do not use this area to park or as a cut through to the playground. There is no pavement and traffic can come around the corner without seeing pedestrians. We are saying this for the safety of the children.

March winners

Congratulations to:

- 1st place - Mrs D. Oakman
- 2nd place - Mrs Tucker
- 3rd place - Mr M. Lowde

Reading workshops have been moved until after Easter. Please await the new date and further information.

Friends of Fenton School

We came second in the Tesco blue token competition—an amazing £2000 to add to our growing total. Thank you very much if you put your tokens in the collection box for us!

We have also received an additional £75 donation through the Rocket Fund towards new football goals.

This year's residential to Llangrannog was a huge success. We were very blessed with some fantastic weather, wonderful company, excellent activities and lots and lots of yummy food!

The children represented Fenton school exceptionally.

The children experienced horse riding, go karting, climbing, high ropes, swimming, zip wire, skiing, quad biking, archery, trampolines and a beautiful walk to the beach.

Evenings saw us attend a disco and have a pyjamas and film evening.

We crammed a lot into 3 days and it was fantastic.

School website

Our school website has been completely redesigned. You will find our latest news, newsletters, calendar of events, a pupil zone with online educational games for your children amongst other things. You **must** visit the Staff page to enjoy the pictures the children have drawn of their teachers, and visit the class pages to see what the children have been learning.
