

Dear Parents,

Exciting learning opportunities have already been happening this term or are planned to take place soon—Yr 2 have been to visit Carew Castle as an introduction to their learning about Castles, Yr 6 will be off to Sealyham soon, Yr 3/4 have an exciting visit planned as do, Yr 5 and LRC 2 Dosbarth Castle. Please look out for letters from your child's teacher and posts on Dojo about these exciting learning opportunities. We firmly believe that children learn best from first hand experiences and our curriculum provision aims to offer them these. This week we hosted a shared training day with Broad Haven and Hook School staff joining us. We discussed the new Welsh curriculum and the importance of practical hands-on learning opportunities for all of our pupils. Our next closure day is **Monday 7th October** and then we have 3 more before the end of this academic year as the Welsh Government have given all schools an additional 6th day.

Please make sure you read these newsletters and look at Dojo—whole school, as well as your class page as many reminders of events get posted on there.

Best wishes,

Mrs Andrews

REMINDER

Macmillan Coffee Morning

Join us for a cup of coffee, raising funds for MacMillan Cancer at the same time. Please send in any donations of cakes on the day.

School hall: Friday 27th
September 09.15-10.15

**Mobile Phones and recording devices
in School**

We have been concerned to find that some children have been bringing mobile phones and iPods to school. Any individual arrangements regarding parental concerns for pupil safety walking too and from school should be put in writing to the class teacher. If the class teacher feels a phone is necessary then the expectation would be that the phone is handed into the teacher at the beginning of the day and locked away. It will then be returned at home time. Any phone found with a child without this agreement in place will be given into the Office with parents then expected to collect it.
