

Dear Parents,

Wythnos Fantastig!

What a fantastic week it has been learning about St David and celebrating our Welsh culture. On Monday, Mrs Arnold and the Criw Cymraeg held our monthly Café Cymraeg after school. On Tuesday, Dosbarth Presipe and the Criw Cymraeg took part in the St David's Day Parade around Haverfordwest, whilst in school we had two wonderful St David's Day assemblies where the children sang beautiful Welsh songs and dressed up in traditional costumes and Welsh rugby tops. Even the staff dressed up! On Wednesday, we saw all of the homework competitions come in to school and made a display in the hall. On Thursday, Mr Llewellyn held the music instrumental prelims and on Friday our Eisteddfod was a huge success. It has been lovely to see the children's creativity in the art and craft competitions, hear their musical talents, listen to them reciting poems and singing songs...and not forgetting tasting the Welsh Cakes. Congratulations to all who took part and to the winners.

Da lawn pawb!

Mrs Andrews

Watch the video clip of the St David's Day Parade through Haverfordwest town centre on the Pure West Radio Facebook page. Fenton are the last school to walk through the town, so please watch until the end to see us carrying our banners!

Friday 15th March

Red noses and wristbands will be on sale from the office after half term. Wristbands

12/04	End of term

MOMO CHALLENGE

There has been lots of information in the media and press about the Momo challenge. We will be sending home an information leaflet for parents from the National Online Safety website to help and support. The best advice is to tell them it's not real.

Although it may seem obvious, the NOS has stressed the importance of telling your child that the game isn't real. Children can be easily frightened or distressed by horror stories or urban myths and this is no different.

Making it clear to your child that Momo is not a real person and can't hurt them will calm them down.

It's also important to tell your child not to go searching for the Momo content.
